Mr M Watter	Mr E Ryan	Mr B Logue
Mr M Adams		

President's report

UQCC enjoyed another successful season in 2017–18, crowned Club Champions for the seventh time in eight seasons. While we failed to win any major premierships, it was pleasing to have 6th Grade men's teams, our Under 16s and Women's 1s play finals.

Running the club is a lot of work, so I want to start with a number of acknowledgements. Firstly, to the Executive Committee — Bill Tuffley, Brendan Logue, Mick Watter, Matt Adams and Dugie Hill — for their leadership this year. Thanks also to Scott Henry, Peter Clarke and Shelley Lorberg for their hard work and for continually going the extra mile to sustain and grow the club. Finally, and most importantly, I want to acknowledge our army of volunteers, coaching staff, scorers and ground staff who get us on the park each week, particularly the Watter clan, who turned our canteen into something we can be proud of.

Peter Clarke and his coaching staff were outstanding again in delivering another Club Championship. Peter's passion for our club and his work ethic continue to amaze me. Thanks also to Women's Coach Chris Perry and Junior Coach Ben Davis for investing their time in our young players.

Congratulations to our major award winners Mick Watter (EJD Stanley Award), Oliver Mower (Tom Corcoran Award), Nick Sale (WEP Harris Medal) and Haidee Birkett (Women's Player of the Year). Special mention also to the magnificent Peter Forrest, who broke Andrew Courtice's long-standing record for most runs in a season with over 1300 runs. Peter has moved back to NSW to be close to family, but his leadership and humour within the group will be missed.

Our men's sides were competitive across the board, making finals in five grades, but wet weather during the semi finals meant we only fielded one grand final side. Excitingly, next season will be one of the biggest generational changes we've had, with amazing young talents Harry Walker, Matt Willins, Will Sanders and the Clayton boys playing their way into our 1s group.

Our Women's club struggled for numbers at times in 2s, but had an excellent season in 1s. Captain

Haidee Birkett in particular had a brilliant year, leading us into the finals and taking out Player of the Year. Excitingly, next year we are aiming to introduce our first girls programs.

The Junior club once again enjoyed a successful year, with over 200 kids getting opportunities to play, starting as early as five years old. My thanks to our junior committee, and particularly Fergus Hogarth, who finished his stint as Junior chairman.

Away from the field, Ross 'the Beast' Johnston and Gail Cartwright were awarded life memberships, acknowledging their years of service to the club, while our annual Test Breakfast was a major success, with Phil Tufnell bringing the house down in an hour of comedy gold. Ian Elks meanwhile continued to round up a scruffy bunch of old roosters to play in our over 40s. Demand for over 40s/50s/60s cricket is really taking off, with national and international tournaments now easy to get into, so we may have some greying future world champions in our ranks.

Administratively, the club delivered a number of important initiatives including:

- recruitment of a full time Operations Manager
- introduction of an annual Alumni Long Lunch (Ian Elks last man standing)
- growing our annual intervarsity tournament, with teams from around Australia
- live streaming T20 games and televising UQCricetTV
- rolling out our new website.

Financially, the club remains in a strong position, with retained profits of \$428,361. Annual revenue was \$337,277, with annual expenditure of \$355,594. The net operating loss of \$18,317 largely reflects a conscious decision by the Executive to employ a full-time Operations Manager and invest in the future of the club, and we are budgeting for a return to surplus in 2018–19. Next season, we will continue to work on progressing a new pavilion with the university, and strengthening our junior programs and Alumni events.

Many cricket fans would be disappointed with the state of our national game. Increasingly, grassroots cricket is under enormous strain, taking on an increasing responsibility to deliver broad ranging

President's report

programs and manage onerous administrative tasks, despite poor funding from administrative bodies.

On a positive note, Brisbane's clubs have united with a view that strong grassroots cricket is the foundation of a strong national game. Clubs are working collaboratively, creating opportunities for kids to play the game and, importantly, ensuring that the game retains its heart, soul and integrity, which is often missing at the modern elite level.

As I reflect on the club's sustained success and the truly decent group of young men and women at the club, I'm incredibly optimistic about the season ahead and the club's positive role within our community.

Bring on 2018-19!

Geoff Teys

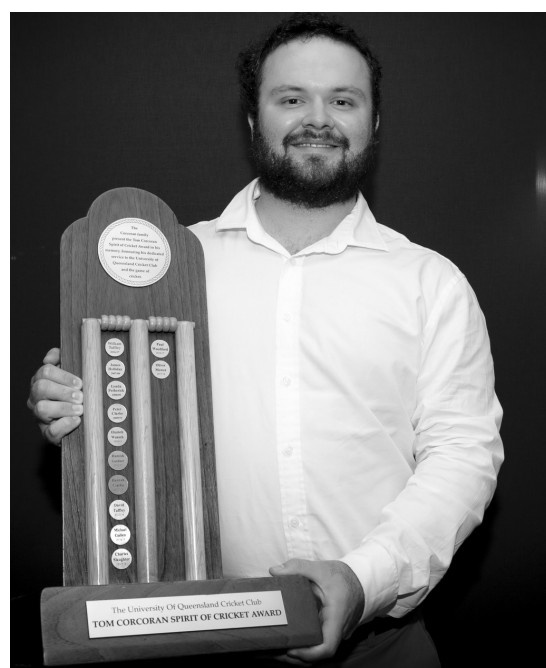

President

The spirit of cricket

Each year, the First Lady of University Cricket, Sheila Corcoran (top), attends the end of season dinner to present the TJ Corcoran Spirit of Cricket Award, named in honour of her late husband Tom.

At the 2018 dinner, Sheila spoke of her family's ongoing appreciation of the way the club has honoured Tom, and reminisced about Tom's playing days under Clem Jones' captaincy, and the loyal friendship they forged.

In 2018, Sheila presented the award to Oliver Mower, who joins a long line of outstanding UQCC personalities to have received the award since its inception in 2006-07 (see page 15 for a full list).

Life members

Under the club's constitution, agreed to by the Sports Union, the committee was entitled to nominate upwards of six life members in the first year following incorporation, with a maximum of two per year thereafter. At the AGM in 2017, the following new life members were appointed.

Ross Johnston (No 439)

Ross Johnston was a right-hand batsman and wicket keeper. He was born on 4 December 1945 at East Brisbane. He was educated at Greenslopes State School and CEGS. For a time he played in Toowoomba, and in 1968–69 was a member of the South Queensland team to play West Indies at Murgon. On moving to Brisbane, he played grade cricket for University, appearing in the First Grade team in 1978–79. He obtained a bachelor of Commerce in 1967, and in 1978 he became a Fellow of the Institute of Chartered Accountants. He is by profession an accountant, having been the founding partner of Johnston Rorke & Co. He retired in 2000.

Ross' reply

For most of us involved with Uni Cricket, the fellowship and spirit enjoyed in our early days deepens over time and takes on an unexpectedly special meaning. Therefore, having life membership bestowed upon me is very humbling and greatly appreciated.

Joining UQCC from school in 1963, I was fortunate to not only play under the likes of Tom Shepherdson, John Moore and Norbury Rogers but also with Lew Cooper, Barry Maranta, Charlie Mengel and other senior club members of that time. In different ways they all had a big influence on my generation, both on and off the field.

In my undergraduate years I would have been considered to be more likely, in 2017, to be a now-deceased member rather than a now-life member. Many memorable intervarsity tours to Sydney somehow produced my club nickname — 'The

Beast' — that stuck. It is puzzling that other touring players, all of whom became highly respected citizens, such as 'The Animal', 'Wolf', 'Big Bull', 'Little Bull', 'Punchy', 'Ger', 'Rooster', 'Tubes', 'Crumbles', to name but a few, remain unidentified. My lips remain pursed, not quite sealed.

My long-term association with this premier sporting club has been a wonderful part of my life as a player, captain, selector and committee member. While recognising our First Grade side provides an important measure of success, it is pleasing that I/V matches may be restarting as they, along with the all important lower grade players and mix of teams, tend to drive the club culture.

Being willingly persuaded to captain a Second Grade team involved many successful and competitive seasons. Those years with the R2s, made up mostly of ragtag undergrads, were memorable. The club spirit was never more evident than when playing (and usually beating) the more favoured, serious and sober R1s. Along the way, my negotiating skills at the selection table developed, something that seemingly stuck a little in life's other endeavours.

In closing, one story sums up Uni. The R2s had just won a closely fought premiership. On jubilantly racing from the field, as if we'd won the World Cup, I can still recall seeing Tom Corcoran, John Biggs and the great WEP in the grandstand with beaming smiles. I had this overwhelming feeling the great R2s had won it for them. They were key senior club members who laid the foundations for succeeding generations to enjoy.

*New Life Member Ross Johnston (centre),
with Barry Maranta and Peter O'Neill*

Gail Maree Cartwright

Gail Cartwright is a right-hand scorer and administrator. She was born on 10 December 1962 in Toowoomba. She was educated at Mater Dei Primary School and Downlands College. In 1999, she started scoring for University Second Grade, appearing in the First Grade team from time to time when Brian Fitzgerald was off swanning at the Gabba, until taking over the First Grade pens officially in 2014–15. She has scored at the highest level, most recently the 2017 Gabba Ashes Test. She served on the club executive from 2009 to 2012, and was a member of the club centenary organising committee. She has been editor of the annual report since 2008, proofreader of the Old Boys newsletter since 2014, and wrote the club's history *The boys from the varsity* in 2012. She obtained a Bachelor of Arts (Literature) from UNE in 1995, and a Master of Editing and Publishing from USQ in 2003. She is by profession an Accredited Editor, and still dreams of retiring.

Gail's reply

My scoring career started in 1991, scoring C Grade winter cricket for the mighty, mighty Graybridge (still going strong 28 years later!). Then in 1999, my husband saw an ad in the paper calling for scorers for QCA, and suggested I look into it. I contacted Judy Harris, who tried to hook me up with Wynnum

(as it was just down the road), but before that deal could be struck, I got a call from Brian Fitzgerald asking if I'd like to be his sidekick at Uni. I couldn't have asked for a better (albeit somewhat grumpy) mentor, and 19 seasons later — I'm still here, and still thanking my lucky stars I didn't end up at Wynnum!

Although I never knew WEP, having joined the club a couple of years after he died, I still have memories of the original pavilion named in his honour — particularly when they condemned the balcony and nailed the doors shut, so we had to score through grimy windows!

One of the many highlights of my involvement with Uni was being on the organising committee for the club's centenary in 2012. I got to meet so many Old Boys, many of whom became friends as I researched *The boys from the varsity*, and the centenary dinner that year was huge. Unfortunately, the chief memory most players in that year have of my contribution to the season was when, after celebrating another successful season with First and Second Grade premierships, I fell UP the stairs at WEP and broke my collarbone in three places!

I was a part of so many great Second Grade teams at Uni, with so many premierships and successful captains — Peter Buttrum, Mark Ellison, Ryan Hale, Geoff Teys, Dean Reeves, Elliot Ryan, Michael Philipson, Brendan Logue — and look forward to enjoying the same success with the First Grade boys.

Being awarded life membership of UQCC was a very proud, and surprising, moment for me, and being the first female life member of the club, well, wow! The club has expanded so much since I first joined, with the women's and junior clubs — I can't wait for the redevelopment when they promise me there will actually be a ladies toilet!

New Life Member Gail Cartwright, after receiving a UQ Sports Club Service Award, for which she was also nominated in 2017–18

Maurice Earle Williams (No 279)

Born: 11 February 1923 at Ipswich

Died: 31 March 2011 at Ipswich

We have only just caught up with the death of Earle Williams, a well remembered teacher and schoolmaster at Ipswich Grammar School, so it is recorded here on the basis of 'better late than never'. Earle Williams was educated at IGS, during which time he was in the First XI for four years, scoring five centuries and one double century, a score of 217 v TSS in 1941, which still stands as the GPS record for a single innings. After school he joined the 56th Royal Australian Engineers until 1943, then the RAAF to fly Wellington and Lancaster bombers over Europe as a wireless operator and air gunner in World War II. After the war, he graduated from the Teachers Training College, teaching at various state schools, and finally at IGS from 1957 to 1988. A right-hand batsman, he joined UQCC in 1948-49, scoring 232 runs (including a century) in second grade, winning promotion to first grade for eight matches in the same season. He scored 145 runs, including a top score of 53. In 1952-53, he made a further appearance, this time in third grade, but without success. The GPS cricket trophy is named in his honour.

Kevin Charles Duffy OAM (No 311)

Born: 5 January 1930 at Kangaroo Point

Died: 9 May 2018 at Chermside

Kev Duffy was educated at St Joseph's Christian Brothers College, Gregory Terrace, and worked in the Commonwealth Public Service, earning an OAM in the process. He was probably the most aggressive off spin bowler seen at UQCC, bowling right hand and batting left hand. His career in first grade commenced with Eastern Suburbs Club, then transferring to UQCC in season 1952-53. For the next seven seasons, along with medium pacer Trevor Cory, he became the mainstay of the University first grade attack. He varied his deliveries, and was faster through the air than most bowlers of his type; batsmen of his day swore that he 'fizzed' through the air. In that period, he took an incredible 286 wickets at 17.6, placing him third in our list of all-time wicket takers. In one season, he took 62 wickets. Kev also played for Queensland Colts v NSW Colts in season 1949-50, before coming to UQCC. Unfortunately, his size around the girth meant he fielded at square leg, and though a safe catcher, undoubtedly this prevented his selection in the state side.

Peter Lawton (No 286)

Born: 27 April 1921 at Southport
Died: 4 June 2018 at Chelmer

Peter Lawton was educated at State Commercial High school to Junior year, but left to enlist in the RAAF, becoming a Flight Lieutenant in 454 Squadron. After the war, he completed the Senior examination, eventually obtaining a Bachelor of Arts from Queensland University. He played for UQCC in season 1949–50 in three matches in first grade with undistinguished results; the remainder of his cricket in this and the following season was played in the lower grades. From 1950 to 1986, he was a schoolmaster at Brisbane Boys College. Peter Lawton was a nephew of the famous rugby flyhalf Tom Lawton, who played all his representative football (for the Wallabies and the 1927 Waratahs) in NSW due to the code dying in Queensland after the First World War. He is also a cousin of the more recent Wallaby hooker Tom Lawton.

Bryce Thomas Evan McKerrell

Born: 24 December 1979 at Brisbane
Died: 2 October 2017 at Sydney

Bryce McKerrell was educated at Chapel Hill State School and Anglican Church Grammar School, and obtained a Bachelor of Physiotherapy from the University of Queensland and a Masters in Finance from Sydney University. After a short career as a physiotherapist, Bryce entered the finance world and worked as a portfolio manager for UBS Asset Management. A naturally gifted sportsman, Bryce was a nationally ranked junior tennis player. He began his University of Queensland cricket career while still at school in the Lords Taverners Under 16 teams of 1994–95 and 1995–96. By the new millennium, Bryce had become the leading batsman in third grade, topping the aggregates in 2000–01 and 2002–03. His 129 in a semi-final at Valleys in 2001 was his highest score for the club and a match winning knock. In his final match for UQ, on a rain affected St Lucia 2 wicket in a grand final, he was the leading run scorer in a low scoring match with 62 and 37 not out to lead his team to a nail-biting victory. All in all, Bryce scored 1939 runs and took 25 wickets in his career for the club. What cannot be measured was his value to the team and club as a team man. Bryce was an incredibly positive and upbeat human being, and therefore a terrific team man. The annual report of 2000–01 describes 15-year-old Berrick Barnes' first game for University being side-tracked by Bryce's stories while waiting to bat. Not surprisingly, Barnes was out quickly, and just as quickly back at Bryce's side ready for more. This was Bryce's great strength – equally at home with the youngest or the grizzly veterans in whichever team he played. Bryce McKerrell died of a brain tumour on October 2 2017, but will never be forgotten by those who had the fortune to be his team and club mates.

UQCC Foundation Trust

The trust was formed for two purposes — to act as a funds reserve prior to the construction of the current pavilion, and to provide for the ongoing development of University Cricket. It was established under a Deed of Trust, and is administered by trustees with the assistance of a Finance Committee. The Trustees are Ravin Raj, Jarrod Turner and David Biggs. The current state of the Trust funds is included in the financial statements of this annual report under Note 9: Contingent assets and the Trust currently holds \$216,140.47. We continue to seek donations from past and present players, and ask for your support for the Trust to provide for the ongoing development of University Cricket.

David Biggs

for the Trustees

16th Test breakfast

The club's 16th Annual FIIG Securities Corporate Test Breakfast was held on 15 December 2016 at the Royal on the Park Hotel. Former England Test and UQCC player Phil Tufnell entertained the 300+ crowd. Life Member Lew Cooper rounded out the event with a few great tales from his playing days.

The breakfast is the club's main fundraising event each season and, as such, the club is greatly appreciative of the continual support of sponsors and Old Boys.

This year's breakfast will be on Wednesday 21 November, with Darren Lehmann as guest speaker.

Michael Jennings

for the Organising Committee

Director of Cricket report

Most years you can just roll out a few changes into the write up and not too much changes. If I'm being completely honest, this year we haven't had quite the results that we are accustomed to. While we accomplished our major goal of

winning the Club Championship, that was the only silverware we took home as a club. We aim to do better next year. However, I am really pleased with the leadership of the young members (now turning into senior members) in the first and second grade groups in particular. Many have stepped up and performed well, and we look forward to seeing that continue as the club steps into the next chapter.

This season also saw us make some strides in a department which we haven't delivered on in a while. Serious young talent with the ability to represent Australia is coming through our ranks. Will Sanders, Jack Clayton, Matt Willans, Harry Walker, Max Clayton (all 17 and under, and all members of the UQ HPP) have performed brilliantly for the club and for Queensland youth teams. These young men love the club, and embody what it means to play for UQ — compete hard at all times, love your mates, have a great time, and put the club first. There are others coming through as well, who we will be writing about in the future, and the emergence of this crop to secure our future and represent us in our colours and beyond truly excites me. That we have provided an environment to help them develop and see them want to stay with us is one of the biggest successes of the last few years.

Overall, the 2017–18 season has been a relatively successful and enjoyable one for UQCC and its members. On field successes this season include:

- Club Championship
- Lord's Taverners best record and GF appearance
- semi final appearances for men's 1st, 2nd, 3rd (both teams!), 4th and 6th grade

- semi final appearance for women's first-grade in the 1-Day format.

These on-field successes can largely be attributed to several factors:

- an excellent playing group committed to getting the best out of themselves and bringing the club success
- excellent coaching staff across all programs as a large reason for our on-field success, providing excellent resources and servicing to help our players prepare for the games physically, technically, tactically and mentally. They include:
 - men's (Peter Clarke, J-J Brundle, Jano Coetzee, Jack Carty and Hamish Gardiner)
 - women's (Chris Perry and Will Harris)
 - Taverners (Peter Clarke, James Grady and David Biggs)
 - juniors (Jano Coetzee – Milo in2cricket & T20 Blast, and Ben Davis – Junior coordinator)
- our executive committee, led by president Geoff Teys and club administrator Shelley Lorberg, who provide excellent off-field support and resources, and allow the coaching staff and director to run cricket operations
- our newly crowned Operations Manager, Scott Henry, who has already done an excellent job in planning, resourcing and integrating to push us toward our goal to be the most forward-thinking, well-resourced and best planned club in Australia
- our volunteers who help out both on and off the field, and never ask for any credit
- the captains of teams, who do far more than players realise to make sure we have teams and resources on the park, and get all the mycricket requirements sorted.

Off the field this year, we also continued to enjoy the culture and environment:

- We implemented more whole-club warm up games this season, which were hotly contested, but with great fun!
- We continued our 'round-the-grounds' summaries of each grade before we hit the nets each week.

Director of Cricket report

- The MyCricket Fantasy league went around again — massive thank you to James Grady for organising — which was fantastic for whole-club integration and interest in each other's performances through the grades.
- Club nights were held at the completion of selected rounds to share beers, stories, and just catch up about everyday life. We incorporated a members draw and a boat race into the festivities, which both went down a treat!

To QC, I would like to say a special thank you to Michael Wright for outstanding work yet again; he always had the answers and the personal nature to communicate effectively throughout. Thanks also to Jeff Thomas for being a great resource for the coaches throughout the season and helping us with our development. UQCC looks forward to working with QC again in the 2018–19 season!

Off the field this year, we also enjoyed a great culture and environment, as is customary for UQCC. 2016–17 saw us implement more whole-club warm up games — which were hotly contested but with great fun! We continued our

'round-the-grounds' summaries of each grade before we hit the nets each week, and ran the MyCricket Fantasy league for the first time — massive thank you to James Grady for organising — which was fantastic for whole-club integration and interest in each other's performances through the grades. Under the guidance of Deano Collins and the social committee, we had fortnightly club nights at the completion of rounds to share beers, stories, and just catch up about everyday life. Club nights also saw the incorporation of a member's draw and a boat race into the festivities, which both went down a treat!

All in all, it's been a great season, with the right structures and the right people in place from top to bottom. There is always room for improvement, and the offseason has provided us with a chance to reflect together and chart the way forward in 2017–18.

Cheers

Peter Clarke

First Grade report

In my first year as club captain, I learned a great deal, both in terms of my own individual style and how to manage a group of men trying to achieve personal and collective goals.

The past few seasons have seen experienced players hang up their boots and the next generation get an opportunity in 1st Grade. There will always be player movement at the club, it's a part of life with kids, work and family taking priority. As players move on, culture is the one constant. Culture enables the club to continue to enjoy the cricket we play and enjoy being around our team-mates. The transition is happening now. However, I'm confident our strong culture will enable us to move quickly into the next decade of success.

On the field, we competed for trophies in all three competitions, making the semis in the 2-day and 1-day competitions and just missing out on competing in the T20 semi by a few points. A disappointing season for UQCC. It was a season of near misses and what might have been.

Overall, the club had another great season, taking out its seventh club championship in the past eight seasons. Congratulations to Director of Cricket, Pete Clarke, the coaching staff and all the players who contributed throughout the season.

This season saw a remarkable improvement in our fielding, executing several run outs and half chances. Jano Coetzee claimed most catches, with 13 consecutive catches, and Mitch Fry most run-outs with 4. Special mention to Michael 'Changy' Philipson for his self-proclaimed 'best run out and catch ever' by a Uni player.

It also saw one-bounce AKA 'want shum' be universally adopted as club warm-up, and the 'no spike rule' be enforced after Stu McDonald's left foot got the better of Hamish Gardiner's leg at Sandgate.

As a 1st Grade playing group, we didn't have the physical success of trophies, but some individual achievements of note include:

- Peter Forrest — his last season with the club saw him break the most runs in 1st grade with 1026. His attitude and personality will be sorely missed next season. However, I'd like to thank Foz for his contribution to the club and wish him all the best down in Sydney
- Mitchell Fry — making his 2nd XI debut for the QAS vs NSW at Blacktown. A great reward for his consistency over the past three seasons, and for posting his highest 1st Grade score of 177 vs Ipswich
- Scott Walter — for claiming his 20th five-wicket haul for the club in 1st Grade and taking out most wickets in the season. Next season will likely see Walts break the most 1st Grade wickets by a UQ bowler
- Harry Walker, Max Clayton, Nick Sale, Stu McDonald, James Hurst and Dylan D'Roza — for making their 1st Grade debuts for the club
- Nick Sale — for winning the WEP Harris medal.

On behalf of the playing group, I'd also like to thank the following for their help throughout the season:

- Geoff Teys and the Executive Committee
- Gail and Nick for their dedication
- Dean Reeves and all the groundies for their work on WEP Harris
- Mick Watter for his efforts on the canteen
- Petey Clarke for his passion and hard work throughout the season — and for claiming another club championship
- all the captains and coaches
- old boy Dave Grogan for lending a hand on game day.

With a good balance of experience and youth, I'm confident that next season we will be able to improve our consistency and be back competing in finals. The elusive 2-day premiership is the one we are after.

Looking forward to another season with the varsity.

Cheers

Scott Henry
Captain

Second Grade report

With a mixture of youth and experience, the UQCC 2nd Grade side produced a mixture of results to ultimately finish runners up in the competition. As in prior years, a large squad played throughout the rain-affected season, and the outlook for the future is promising with the likes of the Claytons, Harry Walker, Sam Belford, and regular couch occupant Josh Wigginton establishing themselves in men's cricket.

Paul Woodford never lost 'some of this', despite the pleas from onlookers, but this did not impact on his performances behind the stumps and at the top of the order. New recruit Nick Sale was outstanding with the bat, batting the day against Norths to score an incredible 238* at the beginning of the season to set the tone.

Senior citizens Brendan Logue and Bill Tuffley were the constant spine of the side during the

year, while club pro James Grady was forever giving up his time to coach the side whenever called upon.

Special thanks to club coach Peter Clarke for his tireless work on and off the field, which ultimately contributed to the club bringing home the Club Championship for 2018.

Lastly, I'd like to thank Gail Cartwright and Nick Pearson for their continued support behind the books, and club president Geoff Teys for his tireless efforts behind the scenes that makes UQCC what it is each season.

Cheers

Dugie Hill
Captain

Third Grade (1) report

Having narrowly failed to win the premiership in 2016–17, the 2017–18 Third Grade (1) season began with a sense of unfinished business. Core players from the previous season were excited to welcome new and talented players, to go one better in 17–18. We got the season off to an excellent start with a convincing win over Toombul, Lachlan Border scoring 70 in his first hit out for the team this season.

Unfortunately, we were unable to capitalise on our good start to the season, returning results of a 10-wicket defeat from Valleys and a well fought out draw against Norths from the following two rounds before the GF rematch with Sandgate was rained off. Having only registered one win from the first four rounds, it was imperative that the team put in a strong showing in the coming fixtures. The first Third Grade derby provided the needed motivation, and we were fortunate that a good all-round bowling performance and a strong 2nd wicket partnership between Lachlan Border (49) and Joshua Wiggington (65) resulted in a victory with 10 overs to spare. A win against Souths in the following round allowed us to witness the standout batting performance of the season with Yaz Rodrigo compiling an elegant, unbeaten century (126*).

Rain continued to play a part in the season, but in round 8 this proved fortunate for us. After an excellent bowling performance, dismissing Ipswich for just 114 (Will Sanders 3/10 of 6 overs), a dominant batting display by Lachlan Border (50) saw us claim a first innings win on day one, with rain ruining the chance for the others fixtures to secure a result the following weekend. After another defeat by Valleys, we moved to the second University derby where, in a tight match, again we were able to get away with the win.

Post-Christmas saw a mixed bag of results — a spirited loss to Wynnum Manly, who set us a

target of 267 in 50 overs which we fell agonisingly short of by only 16 runs. The final two rounds of the season were successful, with a particularly great bowling performance by Jonathan Brundle in round 13 against Redlands, where he returned figures of 7 for 24 off 12 overs — easily one of the best bowling performances I have seen on the cricket field. A round 14 win over the Gold Coast secured our position in 3rd spot to contest the finals.

With Valley finishing 2nd, we headed to their main field. Weather again played a prominent hand in the match. Having underperformed with the bat and only setting a total of 135, we found ourselves needing an extraordinary bowling performance to secure our spot in the final. A very strong performance by Sam Moyle (4 wickets) and ample support by Jonathan Brundle had UQ in a strong position with Valleys at 6/46 when the rain came. Play resumed, but unfortunately the momentum taken into the rain delay couldn't be rediscovered, despite a late glimmer of hope when Arnab Saha claimed the 7th wicket with the score on 110, and Valleys were able to pass our total.

I'd like to take the opportunity to thank all the coaches, particularly Pete Clarke, for all of the time, effort and energy they put into the club. Similarly, I would like to thank those in administrative roles such as Matt Adams, Geoff Teys and Gail Cartwright. Without the work of the coaches, administrators and all the others who give their time throughout the season, the club wouldn't be as successful as it is, and such a great place to play cricket. And finally, I would like to thank all of those who played in Third Grade (1) this year — it was a pleasure to play with you all.

Third Grade (2) report

The persistently underperforming and much maligned Third Grade (2) team delivered a string of decent matches, conceding only two defeats throughout the season, both to the UQCC Third Grade (1) team. By winning the final regular season game with three balls left in bonus point calculations, Uni (2) fortuitously scraped into fourth by less than a 10th of a point (less than 10 runs on bonus point calculations) over the hapless defending premiers Sandgate Redcliffe, who suffered the ignominy of finishing in fifth place. Completing matches proved to be the burden of the team throughout the season, as rain stifled the team's chances of finishing in a more promising position on the ladder.

The bowling 'cartel' developed a strong union, bonding over their mutual admiration of 'dirty trap music and Kentucky Fried pre game'. The cartel comprised Callum Henderson, Teague Moloney, Stuart MacDonald, Tom Carty and de-facto member James Patmore. The bond between the four (five) members was so strong that they even developed a group chat, devising plans to intimidate the opposition and get batsmen out. The quintet combined for 65 wickets throughout the season.

James Patmore and Teague Moloney's stoic 10th wicket partnership was enough to keep out the latter's former club Valleys in a pre-Christmas clash. Batting for the final hour in fading light with a wicket to spare, the duo poked, fended, prodded and deflected their way to a draw, which proved significant down the stretch.

The most notable of the cartel's individual performances was a 5-for to James Patmore in the UQCC Third Grade derby. The Third Grade (1) side's middle order, fitted out with a throng of Queensland and Australian junior representatives,

was left reeling at the sheer sight of the 31-year-old left-armer, who delivered a frightful spell of scrambled seams and sideways movement. Unfortunately, it wasn't enough to get the team home on the day.

Not to be outdone were the two left-arm orthodox bowlers, Charles Evans and Giles Creedon. Pre-season thoughts initially turned to the fact the team simply wasn't big enough to handle two left-arm tweakers from up the Range in the starting XI. These thoughts were proved wrong time and time again, with Giles settling down to focus on his batting and Charles doing most of the grunt work (taking the wickets). The 'spin-to-win' pairing combined for 29 wickets across the year.

As can be extrapolated from the above focus on the bowling group, the batting group struggled to gain momentum and develop a narrative on which an end of season review can be formulated. Nevertheless, the gazelle-like Elliot Beath turned back the clock and amassed 219 runs before mid-November. His returns over the early season kept the batting line-up chugging along when innings looked most dire. It took until Australia Day for the batsmen to compile a score over 200. From that point, the milestone was reached only once more.

In all, the team bowed out on a rainy weekend in Graceville, having restricted the first placed Wests to 3-3 and then 4-15 before rain intervened. This curtailed Uni (2), allowing the Doggies to progress to the final, bat for four days, achieve a well-earned draw and subsequently lift the trophy.

Fourth Grade report

The Uni 4s had a great season just gone – we finished second on the ladder and had a great time doing it. Unfortunately, we fell short in the semi-finals, but we will be better for it in the future.

We had very strong outright wins over Souths and Ipswich Logan. In our win over Souths, Brett Muirhead scored 133 and took 7 wickets, while Rowdy picked up 10 for the match against Ipswich Logan on his Fourth Grade debut.

Other players who had good seasons, and ones to look out for in the future, are Will Carlile, Healy Williams, Chris Roberts, James Lindsay, Hayden D'Addona and Lachie Guilfoyle. A special mention goes out to Chuck Slaughter who was at his metronomic best this season — he always says it's 50/50 whether we'll see him next season, but I'll know he'll be back.

A special, special mention goes out to the 4s and 5s Club Night, the theme of which I won't repeat here. Although I can't remember specifics, it was hands down the night of the season — mostly due to Michael Miller's ability provide a decent jungle juice.

It was a genuine pleasure to be at the helm of the 4s this year – we had a fantastic bunch of boys and I look forward to doing it again with them next season.

Ollie Mower
Captain

This masterpiece is of the Uni 4s and 5s – sums up our season nicely.

Fifth Grade report

The 2017–18 season for UQ Fifth Grade was a great season, and featured many strong results, but even with some very strong late season performances, we just missed out on a finals spot in a ‘season that could have been’. Beginning the season, the team was full of plenty of new faces for the club who were eager to prove themselves. We started off well with convincing victories over Redlands 2 and Wests, but were then brought back to earth with a tough loss against Norths when we were in the box seat to win. This was followed by a washout against Sandgate after getting ourselves into a dominant position, putting on 315 in the first day’s play. Up next, we had a strong Valley team that we managed to see off in what was a great team effort, and using this confidence, we went on to hammer Souths by an innings and 46 runs.

Unfortunately, the next two rounds were washed out, and in our return match against Toombul, we lost a nail-biter of a game, despite a mammoth effort in the field by all the boys. Over the next three games, we lost our way, going down in all three results. Nearing the end of the season and with finals spots on the line, we came back up against Toombul. Eager to prove we could be a competitive team after our run of losses, we easily beat Toombul, with some powerful batting and brilliant bowling, by a comfortable 147 runs.

Due to other results not going our way and more rain, we were unable to make finals with the

final round yet to play. The boys were keen to end the season on a high, but with a good batting performance from Redlands 2 off their 40 overs, we had some work to do. Chasing 212, the top order went on the attack, and with some serious power hitting from Sam Long and Liam van Rensburg, we chased down the total of 212 in just over 30 overs, all capped off with a monster 6 from Tasman Skiba. This ended our season with us sitting in 8th, which unfortunately didn’t reflect the potential that the team had.

Throughout the season we saw many great individual performances with both bat and ball. With the bat, Sam Long topped the run scorers list, but many fine innings were also seen throughout the season from Jack Geraghty, Matt Cornelius, Will Carlile, Liam van Rensburg and Hayden Byrnes. With the bowling, I managed to top the wickets, but some excellent games bowled by Anson Quadros, Max Daldy, Urvasksh Kapure and Shaan Swaris kept us in the hunt regularly throughout the season.

To finish off, even without making finals, we showed plenty of potential, and with a bit more consistency, we can be in the hunt next season.

Nic Coe

Sixth Grade report

I'd been waiting by the phone for 15 seasons for a call like this. 'Madams,' drawled Club President Teys, 'you boys want to put together a team?' Finally, here was an opportunity to put the old band back together. A chance to reunite a team full of blokes who all got better than me, spread their wings and flew the coop. Names like Gallen, Doyle, Cassels, Gregory, Collings, Horn, Oliver, Regazzoli, Tracey all back under the one banner. How could we possibly say no? How could we possibly lose?

Season kicked off on a pleasant Sunday spring afternoon (the first of many Sunday sessions) at the spiritual home of lower grade cricket Uni #7 (#9 for you young folk). After a stupendous bowling effort by Deano Collings (6/12) and a surprisingly good fielding performance, we rolled Good Bloke Valleys for an even 100. At 3/77 off 14 overs, we thought things were home and hosed. Ahhhh, not so fast. In one of the biggest chokes of human history, we lost 7/20 to lose by 3 runs. Whatever you do, don't talk to Cassels about it. He's still muttering about shot selection 12 months on ...

Next up was Norths where, after a long first day in the field, Doyle took advantage of a particularly cruel opposing skipper (how many boundaries do you have to hit before you put a deep cover in?) and smashed, not only his first ever ton for the club (185 off 134), but the highest ever score in 6th Grade for Uni. He also put on 196 for the 5th wicket with Cassels — a new club record. Chalk one up for the good guys.

Games against Sandgate and Lousy Bloke Valleys followed, with Cam Oliver taking a score of 8/25 to 139 before rain intervened. Some blokes got their first look at Dunlop Park ('yuck' was one description), which coincidentally described our batting and fielding performance to be 0-2 against Valleys for the season.

Round 6 found us at Souths, where we were witness to a Mick Gallen masterclass with both bat and ball. Taking 13/80 for the match is good, but BluesTV went into meltdown when it emerged that there was rare footage of Calypso Gallen unleashing cover drives. We took a first innings deficit and turned it into a 7 wicket outright romp, with Taz Skiba hitting a six to wrap it up.

Speaking of 6s, a very hungover bunch of 6th graders got to witness James Klaassen's first shot on WEP disappear over the sight screen. Almost as memorable as Chris Forrester's 6/11 (also a WEP

debutant), where Redlands lost 7 wickets for 2 in the first dig.

All of a sudden we were on a roll. A big one day win followed on #2, with Cassels buckling down for a clever 75 off 58 partnering with the scampering Regazzoli. A last minute call up to Lance Morgan in the next game (due to a dog attack on my part) saw the supersub take 5/30 for an expected victory. Then as the 'Match of the Day' on Toombul's main oval, Cassels once again played finisher in one of the great one day chases, with support from Doyle, Jimmy Masters and freak Gallen catches.

Two more wins followed against weakened Wynnum and Wests sides, and we were looking solid top 4 material. Unfortunately, an old man line-up (who had been fairly fit up to this point) completely fell apart against Redlands, with the casualty ward being the entire bowling line-up. Everything came down to the final round against Wynnum in a one dayer out at Ivor Marsden. Another Cassels innings set it up before late season convert Tracey kept his head and finished off another classic chase.

Sadly such an enjoyable season petered out to a damp squib with an away semi-final against Valleys almost being complexly washed out. Maybe it is worth Uni having travelling hessian for clubs that can't be bothered covering a wicket properly...

Our batting performances were definitely good to watch, but sometimes maybe lacked a little, shall we say, circumspection? Doyle was far and above the super star with 500 at 50 (including the grade batting average award), with good support from Cassels and Cam Oliver, and cameos from Regazzoli, Roy Horn and Jimmy Masters. Our bowling was probably the best attack in the comp (also probably the slowest), with Mick Gallen's 43 the highest tally of any player in the grade. He was admirably supported by 'Old Man Forry' Forrester (who's body exploded after one delivery too many — you'll be back Chuckles), Deano Collings, Cassels and some bearded bloke sending down the slowest of slow meds. Mark Regazzoli decided to become a keeper in his early 30s and recorded a 6th Grade club record 30 dismissals, and found his efforts raised everyone else's catching abilities, including Gallen, who took a number of unbelievable snares.

A big thank you to all who played under the Old Man Team banner, from those who played every week to those who super-subbed like Steve Hunt, Elliot Ryan, Dan Beatty and Murray Wenzel. A special thanks to

the wise heads of Doyle, Gallen, Regaz and Cassels for their advice, constant verbal abuse and stepping in when getting bitten by a dog was just too much.

Hoping we can keep the Old Man Brigade continuing for at least another year with the support of the club, especially from Petey Clarke and Teysie. Look

forward to perhaps another crack at the big time in 18-19!

Madams

Lord's Taverners report

The 2017 Lord's Taverners team had an excellent season, leading the competition all season and eventually losing on the very last ball of the grand final. 8 wins, 2 draws and a loss were the results of the regular season. While losing the final was an incredibly bitter pill to swallow, there is no doubt that the season was a particularly rewarding and memorable one.

The strength was clearly in our bowling. Sebastien Rodwell (20), Connor McNeven (19) and Will Sanders (18) all returned magnificent figures, and on a number of occasions turned moderate scores of our own into winning ones.

The batting was unreliable at times, with middle order collapses a regular feature. At the top of the order, James Hurst did a terrific job, and led the aggregate with 275 runs. James' attitude and passion for the game were always on show. No one enjoyed the team song more than him. Seb Rodwell's 256 runs proved his all-round value to the team. The same can be said for Will Sanders, whose century in round 1 against Wests was the batting highlight of the year. Mac Herring had a very good second half of the season, while Charlie Bell, Liam McBrien and Matt Gouveia chipped in with valuable knocks.

Liam McBrien equalled the UQ Taverners wicket-keeping record with 17 dismissals. Liam goes about his business with confidence and calmness, which are valuable attributes for a wicket-keeper. The fielding in general was very good.

There is no doubt that the boys came together as a unit in grand fashion. In the tight games, there was a confidence that they could win from any position. In reality, to get so close in the grand final after Toombul was 2-70 chasing 111 was evidence of this. It was an easy team to coach — players who listen, try to put plans into action, and play for each other are always easy. The plan is to see all of these young men playing for UQ in the future.

Thanks to all players, coaches and parents on a great season, and congratulations to our captain, Will Sanders, on his selection in the Australian Under 16 team.

David Biggs

(on behalf of the coaching team – Peter Clarke, David Biggs and James Grady)

Juniors report

The 2016–17 season was a successful one for The 2017–18 season was a successful one for a lot of our junior teams and players, with some fantastic results being seen across all age groups.

We had teams in every age group this year finish at the pointy end of their competitions, which was great to see. It is a credit to the hard work these team members have put into their training during the season, along with the efforts of their respective coaches and managers to prepare them adequately for matches.

On an individual front, we had many outstanding achievements this season. Special mention must go to Jack Gersekowski, who had a match to remember against Macgregor/Souths, scoring a century and taking 5/26 on successive weekends — what an amazing feat! Two other performances of note were the bowling efforts of Matt Holmes, who took 5/15 against Kenmore, and Lachlan Goffage, who took 5/12 against Moggill. Congratulations to the three of you, they are very special and difficult-to-achieve milestones!

After the season that he had, it was no surprise to see Jack Gersekowski take out the Craig Philipson

award for best junior player of the 2017–18 season. Many congratulations mate, well deserved and hope to see you beating those efforts next season.

On the representative scene, UQJCC was again well represented in MSW teams this year, with a number of selections in each of the U/12, U/13 and U/14 age groups. These teams played in week-long carnivals around Queensland before Xmas, testing themselves against the best players in the state for their respective age groups.

That's all from me, so I hope everybody enjoyed their cricket this season and come back ready to have more fun and keep learning next year.

Up the Blues!

BEN DAVIS
Junior Coaching
Coordinator

In terms of team awards, the following players were recognised by their coaches and peers as having an exceptional season:

Team	Batting	Bowling	Player's Player
U/11 Gold	Lars Sagorski	Alex Graham	Tom Winters
U/11 Blue	Hamish Guest	Cameron Dubbeldam	Daniel Martin
U/12 Blue	Mitch Camilleri	Tom Johnston	Jensen Scifleet
U/12 Gold	Liam O'Higgins	Kai Croft	Thomas Walsh
U/13 Blue	Oliver Hall	Morgan Jury	Harrison Ott
U/13 Gold	Joe Thynne	Jake Kranen	Nick Goffage
U/14 Blue	Jack Hogarth	Krishna Kangatharan	Lachlan Biggs
U/14 Gold	Jack Gersekowski	Zac Boyne	Joe Newell
U/14 White	Sahil Mathur	James Lowe	Ali Zaidi
U/15 Blue	Will Gibson	Alister Gomersall	Archie Bromell
U/15 Gold	Jacob Martin	Lachlan Goffage	Bailey Judson
U/16 White	Campbell Cowan	Max Daldy	Tom Kelaart

COMMITTEE'S REPORT

Your committee members submit the financial report of University Of Queensland Cricket Club for the financial year ended 30 June 2018.

Committee Members

The names of the committee members in office at anytime during or since the end of the year are:

Geoff Teys (President)
Dugie Hill (Secretary) (appointed 1 September 2017)
William Tuffley (Treasurer)
Brendan Logue (Committee Member)
Matt Adams (Committee Member) (appointed 1 September 2017)
Elliott Ryan (Committee Member)
James Holliday (Secretary) (Retired 1 September 2017)
Chloe Longbroek (Committee Member) (Retired 1 September 2017)

Principal Activities

The principal activities of the association during the financial year were:

To foster, promote, increase participation rates and develop the game of cricket within the University of Queensland and the surrounding precincts.

Significant Changes

No significant change in the association's state of affairs that occurred during the financial year, other than those referred to elsewhere in this report.

Operating Result

The loss after providing for income tax amounted to \$18,317.

Related party transactions

No committee member has received or become entitled to receive, during or since the end of financial year, a benefit because of a contract made by the incorporated association or a related body corporate with the committee member, a firm of which a committee member is a member or an entity in which a committee member has a substantial financial interest.

Signed in accordance with a resolution of the members of the committee:

Geoff Teys (President)

Dated:

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018

1 Summary of Significant Accounting Policies

The committee has determined that the association is not a reporting entity on the basis that, in the opinion of the committee, there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy, specifically, all of their information needs. Accordingly, this financial report is a special purpose financial report, which has been prepared in order to satisfy the financial report preparation requirements of the Associations Incorporation Act (Qld) 1981.

The financial report covers University of Queensland Cricket Club Inc. as an individual entity. University of Queensland Cricket Club Inc. is a association, formed and domiciled in Australia. University of Queensland Cricket Club Inc. is a not-for-profit entity for the purpose of preparing the financial statements.

The financial report was approved by the committee as at the date of the committees' report.

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in accounting policies.

(a) Financial Instruments

Financial liabilities include trade payables, other creditors and loans from third parties including inter-company balances and loans from or other amounts due to director-related entities. Non-derivative financial liabilities are subsequently measured at amortised cost, comprising original debt less principal payments and amortisation. Financial liabilities are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are subsequently measured at amortised cost using the effective interest rate method.

(b) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

UNIVERSITY OF QUEENSLAND CRICKET CLUB
ABN 80 239 943 066

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018 (Continued)

(c) Revenue

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Risks and rewards of ownership are considered passed to the buyer at the time of delivery of the goods to the customer.

Grant revenue is recognised in the profit or loss when it is controlled. Where binding conditions, or specified milestones, exist relating to the specific purposes for which the grant funds may be applied, grant revenues are recognised in the balance sheet as a liability until such time that all conditions of the grant are met. Revenue from the rendering of services is recognised upon the delivery of the service to the customers. Interest revenue is measured in accordance with the effective interest method. All revenue is measured net of the amount of goods and services tax (GST).

Interest revenue is recognised in accordance with the effective interest method.

Revenue from the rendering of services is recognised upon the delivery of the service to the customer.

All revenue is stated net of the amount of goods and services tax.

(d) Goods and Services Tax (GST)

Revenues, expenses and purchased assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

(e) Comparative Figures

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

(f) Income Tax

The members of the Committee are of the opinion that the club is exempt of income tax by virtue of section 50-45 of the Income Tax Assessment Act 1997.

STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In accordance with a resolution of the committee of University Of Queensland Cricket Club, the members of the committee declare that the financial statements as set out on pages 3 to 10:

1. present a true and fair view of the financial position of University Of Queensland Cricket Club as at 30 June 2018 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the Associations Incorporation Act (Qld) 1981; and
2. at the date of this statement there are reasonable grounds to believe that University Of Queensland Cricket Club will be able to pay its debts as and when they fall due.

This statement is signed for and on behalf of the committee by:

Goeff Teys

Geoff Teys (President)

Dated: 30/08/2018

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF

University of Queensland Cricket Club Inc.

QUALIFIED OPINION

We have audited the financial report of University of Queensland Cricket Club Inc. ("the Association"), which comprises the statement of financial position as at 30 June 2018, the income statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and the statement by the members of the Committee.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial report presents fairly, in all material respects, the financial position of the Association as at 30 June 2018, and its financial performance for the year then ended in accordance with the *Association Incorporations Act 1981*.

BASIS FOR QUALIFIED OPINION

Members Subscriptions, Function Revenue, Canteen Revenue, Merchandise Sales and Coaching Income are mainly cash transactions. The Association has determined that it is impracticable to establish control over the collection of these cash transactions prior to entry into its financial records. Accordingly, as the evidence available to us regarding these revenue sources was limited, our audit procedures with respect to these transactions had to be restricted to those amounts recorded in the financial records. We therefore are unable to express an opinion whether the revenue transactions recorded in the income statement by the Association are complete.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of *Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER – BASIS OF ACCOUNTING

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Association to meet the requirements of the *Association Incorporations Act 1981*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL REPORT

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Association Incorporations Act 1981* and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL REPORT

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
